## **Strad Acquires Magna Machine Shop**

October 01, 2008

**Strad Compression and Production Services** (formerly CH4 Compression Services) is pleased to announce the acquisition of **Magna Machine Shop** in Rocky Mountain House, AB.

Magna boasts a strong service fleet in West Central Alberta, as well as expertise in compression package overhauls and repairs. Magna has a strong HSE focus and is COR (Certificate of Recognition) certified. Strad is pleased to advise that Magna will continue to be managed by Ken Osborne.

With the addition of Magna, Strad Compression now has 11 service branches across Alberta and N.E. British Columbia. For more information on Strad Compression please visit [www.stradcompression.com](http://www.stradcompression.com) or for Magna information [www.magnamachine.ca](http://www.magnamachine.ca).
